President of the EFID School Board

THE SCHOOL

The École Française Internationale de Djeddah (EFID) offers a complete curriculum from Pre-Kindergarten (Petite Section) to Grade 12 (Terminale). Accredited by the French Ministry of National Education, in partnership with the Mission laïque française (Mlfmonde) and accredited by the Saudi Ministry of Education, it welcomes nearly 1,000 students in a multilingual, multicultural and internationally oriented setting.

POSITION OVERVIEW

The French Language and Literature teacher carries out his/her duties in secondary education (middle and high school) under the authority of the Head of School. As a full member of the Lettres (French and Literature) teaching team, he/she takes a full part in the life of the school and in the implementation of the EFID educational project. He/she delivers instruction strictly in line with the

official curricula of the French Ministry of National Education, adapting it to the multicultural and multilingual context in which EFID students learn, where French may, for some of them, be a language of schooling rather than their mother tongue.

MAIN MISSIONS

General educational mission

In accordance with the framework of professional competencies for the teaching and education professions (BOEN no. 30 of 25 July 2013), the French teacher contributes to the School's primary mission: to instruct and educate, leading all students to academic success, professional and social integration, and citizenship. As such, he/she transmits and shares the values of the French Republic, promotes a sense of responsibility and the pursuit of the common good, and excludes all forms of discrimination. He/she observes a duty of strict political and religious neutrality in the exercise of his/her duties.

Design and delivery of instruction

- Design and implement rigorous teaching and learning situations within the framework of the official French curricula for middle school (Cycles 3 and 4) and high school (Grades 10 and 11 — Seconde and Première, general and technological streams).
- Transmit subject knowledge and skills: French language, literary and artistic culture.
- Help students build their competencies in oral comprehension and expression, reading, writing and understanding how the French language works.
- Help students acquire elements of literary and artistic culture, in order to enrich their personal expression, sensitivity and cultural awareness.
- Help students acquire competencies that include capacities, attitudes and know-how; develop critical thinking and creativity.
- Adapt teaching practices to EFID's multilingual and multicultural context, paying particular attention to students whose mother tongue is not French (FLE/FLS — French as a Foreign Language / French as a Language of Schooling).

Student assessment and monitoring

- Design and implement diversified forms of assessment: diagnostic, formative and summative assessments; essays, dictations, independent reading, presentations, oral exams; common assessments; mock exams.
- Actively prepare students for official examinations: the French paper of the Diplôme National du Brevet (DNB) in Grade 9 (3e); the Épreuves Anticipées de Français (EAF — Early French Baccalauréat papers, written and oral) at the end of Grade 11 (Première); where applicable, contribute to preparation for the Grand Oral.
- Ensure personalised follow-up of each student, in liaison with families, Form Teachers (Professeurs Principaux) and the Student Life Office (Vie Scolaire).

- Actively participate in class councils (conseils de classe) and contribute to students' academic and career guidance.

Differentiated and inclusive teaching

- Take into account the diversity of students: level, learning profiles, linguistic background, mother tongue, cultural context.
- Set up remediation and support arrangements for students experiencing difficulties, in particular those relevant to French as a Foreign Language or Language of Schooling (FLE/FLS).
- Offer extension activities for high-potential students: public-speaking competitions, writing workshops, literary prizes, guided personal reading.
- Support students in developing their relationship to reading, writing and language, fostering enjoyment and independence.

Digital tools and teaching resources

- Use digital tools and resources that support the teaching of French (language, literature, artistic culture).
- Make use of institutional and heritage resources: Eduscol, Lumni, BRNE, Gallica (BNF — French National Library), digital textbooks, partner websites.

- Participate in pedagogical bodies: pedagogical council, Lettres (French) subject council, class councils, committees.
- Collaborate with subject colleagues to align progressions, common assessments and tools, and with colleagues from other disciplines (History–Geography, Arts, Modern Languages, HLP — Humanities, Literature and Philosophy) to lead interdisciplinary projects.
- Cooperate with families in a spirit of dialogue, transparency and mutual respect; take part in parent–teacher meetings.
- Take part in EFID's cross-curricular projects and events: French Language and Francophonie Week, Printemps des Poètes (Poetry Spring Festival), public-speaking and recitation competitions, school newspaper, drama club, writing workshop, cultural outings, school trips.
- Engage in individual and collective professional development (Mifmonde network training, pedagogical days, didactic and cultural monitoring).

MAIN ACTIVITIES

- Implement the four main strands of the curriculum: language study (grammar, spelling, conjugation, vocabulary), reading (complete works and groupings of texts, independent reading), written expression (creative writing, commentary, dissertation, text contraction and essay) and oral expression (expressive reading, presentations, debates).
- Implement the national programme of literary works for French teaching in Grade 11 (Première) — works on the Baccalauréat syllabus, renewed annually.

- Take part in pre-term start-up days, pedagogical days and in-service training.
- Represent the school at events (Open Days, fairs, cultural events).
- Contribute to personalised support, remediation and extension programmes.
- Lead or co-lead cultural and linguistic projects: drama club, writing workshop, school newspaper, public-speaking competitions, literary prizes, outings to the theatre and museum.
- Be actively involved in the collective life of the school and in the Mlfmonde network.
